Get involved in
a Global Learning
Expedition today and...

**be the
difference!**

 Global
Learning
Expeditions

You can make a
difference today!

Expedition highlights may include...

- A 4 day Global Learning Foundation (GLF) project covering education, sustainability &/or conservation
- Trek through the stunning Kulen Mountain
- Visit Angkor Wat Temple - UNESCO site
- Siem Reap walking tour
- Landmine Museum
- Aspara cultural dance show
- Ton Le Sap Lake Floating village boat tour

Global Learning Expeditions (GLE) proudly supports the Global Learning Foundation (GLF) charity.

About GLF...

- Responsible for all project work in country
- Registered charity in Australia & USA
- 100% of all funds raised through schools go directly to the projects on the ground
- Local communities decide what they need - not the Foundation!
- Offers life changing community service and conservation programs in Fiji, Vietnam, Cambodia & Panama
- GLF makes a difference in the lives of children, families and communities trapped in the poverty cycle to create sustainable long term benefits with a focus on education
- Dedicated to making a real sustainable difference

What do you need to participate in an expedition & community service project?

- A sense of fun and adventure
- Willingness to accept a challenge
- A desire to make a difference

What will YOU be doing in the community service project?

You could be helping to build a new classroom at a primary school, a kindergarten playground, a bridge or developing an eco-farm.

You could be teaching English, sports, health and hygiene, music or building a bigger project in a school or village such as a water harvesting system.

The projects vary in type and scale to suit the group participating.

You **CAN** make an immediate and lasting difference to the lives of the people in these communities!

Sample Project - Cambodia

Day 1

Start your expedition and travel to your Project location.

Day 2

Visit the most famous Cambodia temples, including Angkor Wat, one of the UNESCO Seven Wonders of the World.

Day 3 through to Day 5

After your project briefing it's time to get started in your project teams. Work with your Cambodian friends, experience life in the village and make a difference!

Day 6

Today we celebrate and officially handover the project with a moving ceremony in the village with the families, children and helpers who made it all possible.

Day 7

Visit the Landmine Museum and Angkor National Museum, followed by a walking tour through Siem Reap to visit the markets and different street vendors.

Day 8

Visit the base of the Kulen Mountain, take part in a hiking tour through the beautiful countryside finishing at the breathtaking waterfalls for a picnic lunch.

Day 9

Travel to Ton Le Sap Lake - take a boat cruise and visit the vibrant and bustling floating fishing villages with floating homes, shops, temples and markets! Transfer to airport.

Day 10

Arrive back in Australia this morning.

Be the
difference!

To find out more and join your School's Expedition including a 5 day Community Service Project!

Simply complete the "Expression of Interest" slip and return it to the Expedition Leader (teacher at your school).

Interested students and parents will be invited to attend an information meeting where a detailed explanation of the expedition will be given by GLE staff.

"We cannot build our future without helping others to build theirs"

What is a Global Learning Expedition?

Global Learning Expeditions are exciting student based cultural programs focused around conservation & community service projects globally. All project work completed helps support local communities to break the poverty cycle, develop sustainable practices and provide the opportunity for education for all young people.

Students build cultural awareness and understanding as well as develop skills in teamwork, communication and leadership. Not to mention have a load of fun with activities like hiking, visiting the world famous Angkor Wat Temple, Ton Le Sap floating village boat tour, cultural walking tour through Siem Reap markets and loads more!
